Upcoming Events

Rope night

Special Date! Monday, August 16, 7-9 PM. \$5 donation requested for guests.

In this month's **Rope Night** Brett will present a series of 5 predicament bondage ties– one laying, one sitting, and 3 standing. This form of bondage typically requires the wearer to strain to maintain a pose, and failing to do so causes the tie to create some discomfort or pain– leaving the tied person “in a predicament,” from which the name derives.

The session will also include the cross and lovers knots, and a refresher on decorative ties. Recommended rope: 2-3 pieces of both 10' and 25' (~3 & 8m) length 6mm-8mm (1/4" - 5/16") diameter nylon, cotton, or hemp rope.

Debbie does Dallas at Blackfriars

Debbie Does Dallas (“a comic musical of tragic proportions”) is running at **Blackfriars Theatre** through August 21st. Loosely based on the film of the same name, the story is about a cheerleader, Debbie Benton, who wants to go to Dallas to become a Texas Cowgirl and the compromises she and her fellow students make to follow their dreams.

The story is fun, if a little weak. But for those that like a cheerleader outfit, the high-energy show (and occasional **fan service**) will more than make up for any plot deficiencies.

The Full Monty (1997, run-time 1:35)

This raucous English comedy follows a group of unemployed British steel-mill workers who, broke and bored, devise a fabulous scheme to get off the dole: Become male strippers! Soon they're a sensation with the ladies, who encourage the men to show the "full monty" (strip down to the skin). This quirky 1997 sleeper is full of character and great humor.
